# Special Filming Conditions for Los Angeles County Beaches

## POINT DUME BEACH

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

These conditions have been drafted by the Los County Department of Beaches & Harbors to help facilitate filming on Los Angeles County Beaches.

- No trucks larger than 40 feet will be allowed in parking lot.
- No filming, parking or staging in red cul-de-sac area.
- No admittance to parking lots prior to 7:00 a.m.
- Parking lot closes at dusk. Parking attendant required after hours.
- A City of Malibu permit is required in addition to the FilmL.A. still photo film permit.
